

Syngene International named as one of 'India's Best Managed Companies' by Deloitte India

15th January 2024, Bangalore: Syngene International Ltd, a leading integrated research, development, and manufacturing services organization, has been recognized as one of **'India's Best Managed Companies'** by management consultant, Deloitte India. Syngene was recognized for its overall business performance and demonstrating leadership in the areas of strategy, innovation, culture and sustainability resulting in sustainable growth.

The India's Best Managed Companies (BMC) 2023 program was designed to recognize top companies in the Deloitte Private space. It attracts applications from numerous firms across industries each year. The rigorous evaluation process aims to assess organizations against a comprehensive framework of business excellence criteria. This year, the applicants were evaluated by an eminent independent judging panel comprising Kalpana Morparia, Former Chairperson of JP Morgan, South and Southeast Asia, Ajay Tyagi, Former Chairman of the Securities and Exchange Board of India (SEBI); Dr. Alka Mittal, Former CMD and Director (HR) at ONGC; and Harish Bijoor, Brand and Business-strategy Expert & Founder of Harish Bijoor Consults Inc.

Commenting on the recognition by Deloitte India, **Jonathan Hunt, MD & CEO, Syngene International**, said, *"We are delighted to be recognized by the esteemed jury and the team at Deloitte. Excellence, innovation and sustainability are part of Syngene's corporate culture and contribute to the value that we bring to our clients and strategic partners around the world. Over the last three decades, we have worked hard to make Syngene a company of choice for investors and a preferred employer for young scientists. Today, I am proud that we are also recognized as one of the 'Best managed companies'. This recognition reaffirms the importance of the high standards and robust values, that underpin our work, and enable us to continue pushing the boundaries of scientific innovation to improve the lives of people, animals and patients."*

Speaking about the BMC programme, **K.R. Sekar, Partner, Deloitte India**, said, *"The BMC 2023 honorees, emerging from a meticulous and comprehensive evaluation process, are more than just winners in a competition; they are pioneers redefining industry standards. Their leadership in adopting cutting-edge technologies, their commitment to sustainable practices, and their ability to navigate complex global markets have set them apart. These companies are not just driving economic growth; they are shaping the future of their respective industries, demonstrating that ethical practices and innovative strategies are key to long-term success in the rapidly evolving business world."*
